

CBM INSTRUMENT TRAYS & BASKETS

"The Complete System!"

C.B.M. was founded in 1962 on its current site, although it had been previously operating in Milan since 1945. It developed over an area of 30,000 m², 10,000 m² of which are under cover.

- High quality designers and engineers who pride themselves on the development and compliance to international standards.
- They are reputed manufacturers of high quality stainless steel baskets and rigid containers.
- At Richards Medical, we have developed a partnership in Australia and New Zealand with CBM that brings the CBM products and experience to Australasian customers.
- Richards Medical is delighted to present the CBM products to you. Experience for yourself the difference of how excellence in design, manufacturing, engineering and sheer attention to detail will benefit your department.
- Don't just talk to us about the products, ask us how we can help you with a replacement program.
